

How to renew / apply for a membership package

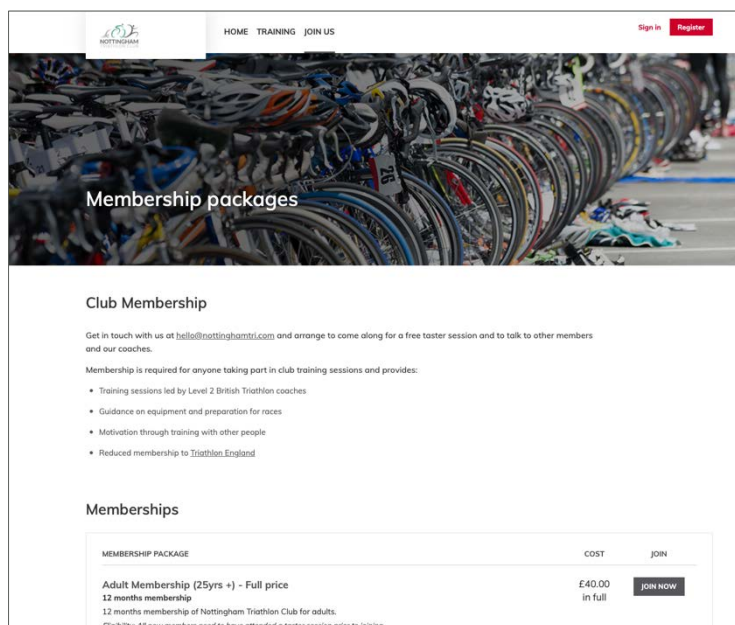

STEP 1. Go to the club's page on ClubSpark:

<https://clubs.britishtriathlon.org/NottinghamTri/Membership/Join>

You can also reach this page from the club's website

(www.nottinghamtri.com)

by selecting the Join Us option on the menu.

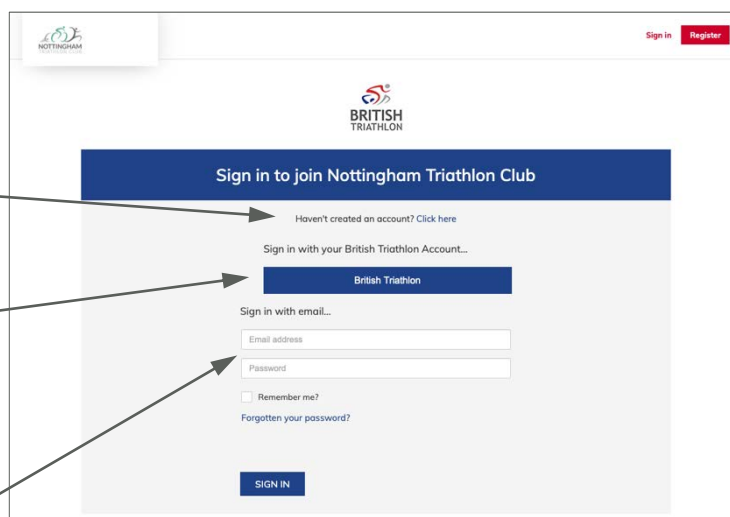

STEP 2: Sign in

Click "Sign in" from the menu on the top right, this will take you to the British Triathlon sign in screen.

If you do not have an account with British Triathlon you can create a free account using this link.

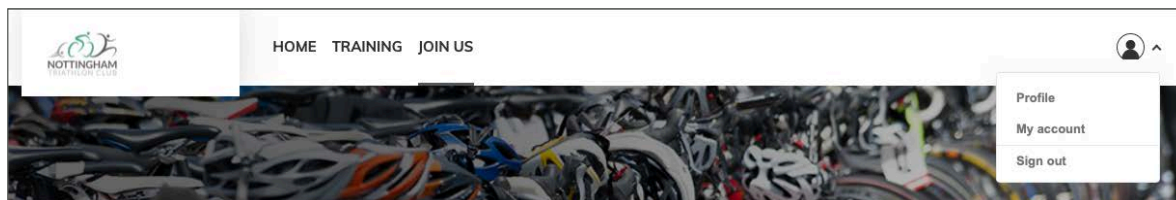

If you are a British Triathlon member or have a free account click the blue button and sign in with the email and password you use for British Triathlon.

Do not use the "sign in with email" part of this form as we are only using BTF accounts.

Juniors do not need to have their own account as a parent / guardian can associate juniors to their account. This helps with managing contact details and makes booking sessions much quicker. If you need help with this get in touch at hello@nottinghamtri.com

Once you have signed in you will be returned to our ClubSpark page. The Sign in / Register options will have been replaced with new menu item which allows you to manage your profile.

STEP 3. Select your membership package

We have three main membership types:

- Juniors (from 8 to 17 years old)
- U25 (from 18 to 25 years old)
- Adult (from 26 years old)

All membership packages last for 12 months from the date of purchase.

For each membership type there are 2 options, **full price** or **discounted**. Full price membership is for the first member in a household.

Where a household has a mix of membership types (adult, U25 and junior) the full price package should be selected in the order of adult first, then U25 and finally junior. All other members in a household should use the discounted membership option.

Examples:

1. A household with one adult member and two juniors: one adult full price package and two discounted junior packages.
2. A household with two adult members: one full price adult and one discounted adult package.
3. A household with three junior members: one full price junior and two discounted junior packages.
4. A household with one adult and two junior members: one full price adult and two discounted junior packages.
5. A household with three U25 members: one full price U25 and two discounted U25 packages.

If you are unsure what to select contact us at hello@nottinghamtri.com.

STEP 4: Fill in your details

Once you select a membership package you will be taken to a screen which will be pre-filled with some of your contact details from your British Triathlon account.

Please fill in any additional information along with emergency contact details and any medical information.

If you select yes for special requirements you will be asked to fill in some details.

If you select yes for physical or mental health conditions or illnesses you will be shown a list to select from.

Our coaches have access to this information during training sessions should they require this in an emergency.

Once you have completed this section click NEXT.

You will be then taken to a page where you can pay for your membership.
